MANAGEMENT INFORMATION CIRCULAR (as at May 6, 2010)

FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON JUNE 16, 2010

PROXY SOLICITATION

PURPOSE OF SOLICITATION

This management information circular (the "Information Circular") is furnished in connection with the solicitation of proxies by the management of Empire Industries Ltd. (the "Corporation") for use at the Annual and Special Meeting of common shareholders of the Corporation, to be held at the Radisson Winnipeg Downtown Hotel, 280 Portage Avenue, Winnipeg, MB, R3C 0B8 on June 16, 2010 at 10:00 AM (Winnipeg time) or at any adjournment for the purposes set out in the accompanying notice of meeting (the "Meeting").

The cost of such solicitation will be borne by the Corporation and will be made primarily by mail. Directors and officers of the Corporation may without special compensation solicit proxies by telephone, facsimile or in person.

APPOINTMENT AND REVOCATION OF PROXIES

Shareholders have the right to appoint a nominee (who need not be a shareholder) to represent them at the Meeting other than the persons designated in the enclosed form of proxy, and may do so by inserting the name of the appointed representative in the blank space provided in the form of proxy.

A form of proxy will not be valid for the Meeting or any adjournment unless it is completed by the shareholder or by his attorney authorized in writing and must be delivered to: Proxy Department, CIBC Mellon Trust Company, P.O. Box 721, Agincourt, ON, M1S 0A1, or by fax at (416) 368-2502 (Toll Free: 1-866-781-3111 Canada & US only), not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the meeting or any adjournment of the meeting.

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. A proxy may be revoked by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or by his authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by depositing the proxy bearing a later date with CIBC Mellon Trust Company at any time up to and including the last business day preceding the date of the meeting or any adjournment at which the proxy is to be used, or by depositing the revocation of proxy with the chairman of such meeting on the day of the meeting, or any adjournment of the meeting.

VOTING OF PROXIES

The persons named in the enclosed form of proxy are directors and/or officers of the Corporation and have indicated their willingness to represent as proxy the shareholder who appoints them. Each shareholder may instruct his proxy how to vote his shares by completing the proxy form.

The person indicated in the accompanying proxy shall vote the shares in respect of which they are appointed in accordance with the direction of the shareholder appointing them.

In the absence of a direction to vote the shares in respect of which they are appointed, the management appointees named in the accompanying proxy will vote such shares in favour of:

- 1. the election of the persons proposed to be nominated by management as directors;**
- 2. the appointment of PricewaterhouseCoopers LLP as auditors of the Corporation.**

Furthermore, in the absence of any direction to vote for or against, the shares will be voted by management appointees in favour of:

- 1. the approval of the Corporation's Stock Option Plan;**

all as more specifically described in this Information Circular.

THE ENCLOSED FORM OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE PERSON INDICATED IN THE PROXY WITH RESPECT TO AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF ANNUAL GENERAL MEETING OF SHAREHOLDERS (THE "NOTICE") AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING. At the time of printing of the Information Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the meeting other than the matters referred to in the Notice and the Information Circular. If any matters which are not now known to the directors and senior officers of the Corporation should properly come before the meeting, the persons named in the accompanying form of proxy will vote on such matters in accordance with their best judgment.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information in this section is of significant importance to public shareholders of the Corporation since most public shareholders do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to herein as "Beneficial Shareholders") are advised that only proxies from shareholders of record can be recognized and voted upon at the Meeting. If shares are listed in the account statement provided to the shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name. Such shares are more likely held under the name of the broker or a broker's agent clearing house. Applicable corporate law provides that Beneficial Shareholders may request that the Beneficial Shareholder or the Beneficial Shareholder's nominee be appointed as the proxyholder for such shares. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities which acts as nominee for many Canadian brokerage firms). Shares held by brokers or their nominees can only be voted (for or against motions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the brokers/nominees are prohibited from voting shares for their clients.

The Corporation does not know for whom the shares registered to CDS & Co. are held. Therefore, Beneficial Shareholders cannot be recognized by the Corporation at the Meeting. In order to ensure that their shares are voted at the Meeting, Beneficial Shareholders should carefully follow the return instructions. Often, the form of proxy supplied to Beneficial Shareholders by their brokers is identical to that provided to registered shareholders, however, its purpose is limited to instructing the brokers/registered shareholder how to vote on behalf of the Beneficial Shareholder. The majority of the brokers now delegate the job of obtaining instructions from clients and voting shares according to their client's instructions to a corporation named Broadridge Financial Solutions Inc. ("Broadridge"). Broadridge typically applies a special sticker to the proxy forms produced by the Corporation, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return these proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and then votes the shares to be voted at the Meeting according to the instructions received. A Beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote shares at the Meeting. The proxy must be returned to Broadridge well in advance of the Meeting in order to have the shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the Instrument of Proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

All references to shareholders in this Information Circular, the accompanying instrument of proxy and Notice are to shareholders of record unless specifically stated otherwise.

VOTING SHARES AND PRINCIPAL SHAREHOLDERS

Only the Common Shares of the Corporation are entitled to vote at the Meeting. As of the date of this Information Circular, 91,239,608 Common Shares without nominal or par value are issued and outstanding. Each Common Share entitles the holder to one vote on all matters to come before the Meeting. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares of the Corporation.

The directors of the Corporation have fixed May 12, 2010, as the Record Date for determination of the persons entitled to receive notice of the Meeting. A shareholder of record as of the record date is entitled to vote his Common Shares except to the extent that he has transferred the ownership of any of his shares after the record date, and the transferee of those shares produces properly endorsed share certificates or otherwise establishes that he owns the shares, and demands, not later than 10 days before the Meeting, that his name be included in the shareholder list before the Meeting, in which case the transferee is entitled to vote his shares at the Meeting.

To the knowledge of management of the Corporation, as of the date of this Information Circular, no person or company beneficially owned, directly or indirectly, or exercised control or direction over, voting shares of the Corporation carrying more than ten percent (10%) of the voting rights attached to all outstanding shares of the Corporation other than those listed in the following table:

Name	Number of Voting Shares Owned or Controlled Directly or Indirectly	Percentage of Outstanding Voting Shares
K. Guy Nelson	9,500,000 ⁽¹⁾	10.4%

Note:

- (1) 8,175,815 of Mr. Nelson's shares are held by Nelson Advisors Inc., a private company, wholly owned by Guy Nelson and his family.

INFORMATION CONCERNING THE CORPORATION

STATEMENT OF EXECUTIVE COMPENSATION

For the purposes of this section, "NEO" or "Named Executive Officers" means the Chief Executive Officer ("CEO") and the Chief Financial Officer ("CFO") and the three other most highly compensated executive officers of the Corporation and its subsidiaries, whose compensation, in the aggregate, exceeded \$150,000 for the most recently completed financial year.

Compensation Discussion and Analysis

The objectives of the Corporation's compensation program are to attract, retain and motivate key employees, and to align their interests with the interests of shareholders. The compensation program is designed to reward profit performance (through the Incentive Bonus Program) and increases in shareholder value (through the Stock Option based compensation.) The Base Salary component is largely market driven.

The significant elements of compensation awarded to, earned by, paid to or payable to NEO's for the most recently completed financial year are: Base Salary, Incentive Bonus Program payments, and Stock Option based compensation.

The Corporate Governance Committee of the Board of Directors serves as the Corporation's Compensation Committee. The Compensation Committee recommends the CEO's compensation package to the independent directors for their approval. The independent directors have sole authority to determine the CEO's compensation. The Corporate Governance Committee makes these recommendations based on the Corporation's performance and relative shareholder returns, the value of similar incentive awards to CEO's at comparable companies, and the awards given to the Corporation's past CEOs where relevant.

The Corporate Governance Committee also reviews the recommendations of the CEO concerning overall compensation and other conditions of employment of executive management, including the other NEO's, and, in the Committee's discretion, makes recommendations to the Board for their consideration. This includes review and recommendation with respect to any incentive compensation plans and equity-based plans.

The 2009 CEO incentive plan provides for bonus payments from 0% to 100% of Base Salary, based on a number of performance indicators, including earnings per share, market price, share liquidity, book value per share, debt/equity ratio, organic growth, and acquisition growth. No bonus was awarded by independent board members for the CEO's 2009 performance, as shown in the Value Vested or Earned Chart on page 6.

The 2009 Executive incentive plan provides for bonus payments from 0% to 80% of Base Salary for other NEO's, based on a number of performance indicators, including the Corporation's overall financial performance, specific financial performance in the NEO's area of responsibility, safety record, working capital management, and organic growth. No bonus was awarded by independent board members for other NEO's 2009 performance, as shown in the Value Vested or Earned Chart on page 6.

The Corporation does not disclose the specific performance targets of the incentive plan, because disclosing them would seriously prejudice the Corporation's interests. The incentive plan has 3 levels for each performance measure: Threshold, Target, and Stretch. These levels are progressively more difficult for the NEO to obtain. In 2009, no NEO reached the level of performance targets necessary to qualify for a bonus payment.

Summary Compensation Table

In light of significant changes to the requirements, content and format for executive compensation disclosure applicable to issuers with a December 31, 2008 or later year end, the Corporation has disclosed executive compensation in the Summary Compensation Table below for the financial years ended December 31, 2008 and December 31, 2009 only, in accordance with the new requirements. Disclosure of executive compensation for prior years, in accordance with then applicable requirements, is contained in the Corporation's previous management information circular, dated May 8, 2009, which is available on www.sedar.com.

STOCK OPTION PLAN

Current Plan

As required by TSX Venture Exchange (the "Exchange") rules, management is requesting that shareholders provide their approval of the Corporation's stock option plan. On June 17, 2009, the shareholders of the Corporation approved the current stock option plan (the "Plan"). The current state of the Plan is as follows:

Options granted pursuant to the Plan will not exceed a term of ten years and are granted at an option price and on other terms which the directors determine is necessary to achieve the goal of the Plan and in accordance with regulatory policies. The option price shall not be less than the market price of the stock.

The number of common shares allocated to the Plan will be determined by the board of directors from time to time. The aggregate number of shares reserved for issuance under the Plan may not exceed 10 percent of the issued and outstanding shares. In addition, the aggregate number of shares so reserved for issuance in any 12 month period to any one person shall not exceed 2 percent, of the issued and outstanding shares.

The Common Shares, when fully paid for by a participant, are not included in the calculation of Common Shares allocated to or within the Plan. Should a participant cease to be eligible due to the loss of corporate office (being that of an officer or director) or employment, the option shall cease for varying periods not exceeding 90 days. Loss of eligibility for consultants is regulated by specific rules imposed by the directors when the option is granted to the appropriate consultant. The Plan also provides that estates of deceased participants can exercise their options for a period not exceeding one year following death.

The current Plan is intended to be fully compliant with Toronto Stock Exchange policy relating to security based compensation arrangements.

The board of directors may from time to time make rules, regulations and amendments to the Plan. Should any rule, regulation or amendment materially differ from the provisions set out in this management information circular, the Corporation shall obtain the necessary regulatory or shareholder approvals.

However, any amendment of the Plan which would:

- (i) materially increase the benefits of the Plan;

- (ii) materially increase the maximum number of common shares issuable under the Plan,
- (iii) materially modify the requirements as to eligibility for participation in the Plan;
- (iv) add any form of financial assistance and, if applicable, any amendment to any existing financial assistance provision which is more favourable to participants;
- (v) add a cashless exercise feature, payable in cash or securities which does not provide for a full deduction of the number of underlying securities from the Plan reserve; or
- (vi) otherwise require approval by shareholders (or disinterested shareholders as the case may be) in accordance with the requirements of any regulatory body having jurisdiction over the common shares of the Corporation

would be effective only upon the approval of the shareholders (or disinterested shareholders as the case may be) of the Corporation. Further, any amendment to any provision of the Plan would also remain subject to approval by any regulatory body having jurisdiction over the securities of the Corporation.

Should the expiration date for an option fall within a blackout period or within nine business days following the expiration of a blackout period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the blackout period, such tenth business day to be considered the expiration of the term of such option for all purposes under the Plan.

Proposed Plan

Management proposes that the Stock Option Plan be amended as follows to make clear that the Plan is in full compliance with TSX Venture Exchange policy:

- The Proposed Plan specifically states that options issued to participants performing investor relations activities must vest in stages over at least twelve months with no more than one-quarter of the options vesting in any three month period.

The Proposed Plan is attached to this Circular as Schedule B.

To be effective, the approval of the Plan must be given by resolution of the shareholders. The shareholders will be asked to consider and approve the following special resolution:

3. The board of directors of the Corporation be, and it is hereby, authorized to cause all measures to be taken, such further agreements to be entered into and such further documents to be executed as may be deemed necessary or advisable to give effect to and fully carry out the intent of this resolution.

Under certain circumstances, written materials may be unavailable to Directors in advance of a meeting, and certain items to be discussed at Board meetings may be of a sensitive nature such that the distribution of materials on these matters prior to the Board meeting would not be appropriate.

Participation in Meetings

Each Director should be sufficiently familiar with the business of the Corporation, including its financial statements and capital structure, and the risks and competition it faces, to facilitate active and effective participation in the deliberations of the Board and of each committee on which he or she serves.

Financial Knowledge

One of the most important roles of the Board is to monitor financial performance. A Director must know how to read financial statements, and should understand the use of financial ratios and other indices for evaluating financial performance.

Code of Conduct

The Corporation has adopted a Code of Conduct. Certain portions of this Code deal with the business conduct of Directors, particularly with respect to transactions in the securities of the Corporation, potential conflicts of interest, the taking of corporate opportunities for personal benefit, and competing with the Corporation. Directors should be familiar with the Code’s provisions in these areas and should consult with the Corporation’s counsel in the event of any issues or concerns.

Other Directorships

The Corporation values the experience Directors bring from other boards on which they serve, but recognizes that those boards may also present demands on a Director’s time and availability, and may also present conflicts or legal issues. Directors should advise the Chair of the Corporate Governance Committee before accepting any new membership on other boards of directors or any other significant commitment involving an affiliation with other related businesses or governmental units.

This Charter sets out the roles and responsibilities of the Audit Committee of Empire Industries Ltd. (the “Company”.) The roles and responsibilities described in this Charter must at all times be exercised in accordance with the requirements of the legislation and regulations governing the Company and its subsidiaries.

COMPOSITION

The audit committee is composed of three directors of the Company, all of whom shall meet the independence and experience requirements of the principal securities exchanges on which the Companies common shares are traded. The Audit Committee’s responsibilities extend to the Company and its subsidiaries.

If option rights granted to a Participant under the Plan expire or terminate for any reason without having been exercised in respect of certain Optioned Shares, or if a Participant exercises its option rights, such Optioned Shares may be made available for other options to be granted under the Plan.

In the case of employees or consultants of the Corporation or Management Company Employees, the option agreements to which they are party must contain a representation of the Corporation that such employee, consultant or Management Company Employee, as the case may be, is a bona fide employee, consultant or Management Company Employee of the Corporation or its subsidiaries.

A Participant who has been granted an option may, if such Participant is otherwise eligible, and if permitted under the policies of the Exchange, be granted an additional option or options if the board of directors shall so determine.

b) Option Agreement

All options shall be granted under the Plan by means of an agreement between the Corporation and each Participant (the “**Option Agreement**”) in such form as may be approved by the board of directors, such approval to be conclusively evidenced by the execution of the Option Agreement by any one director or officer of the Corporation.

Each option granted under the Plan shall expire on the date set out in the option agreement, subject to earlier termination as provided in subsections 7(l), (m), (n) and

(o) of this Plan but in no circumstances shall the duration of an option exceed 10 years.

d) Vesting of Options

The board of directors, in its sole discretion, shall determine the vesting of options granted hereunder and may subject the vesting of any options granted hereunder to any number of reasonable conditions precedent.

e) Transferability of Options

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided for herein or to the extent, if any, permitted by the Exchange. During the lifetime of a Participant any benefits, rights and options may only be exercised by the Participant.

f) Right to Postpone Exercise

Each Participant, upon becoming entitled to exercise the option in respect of any Optioned Shares in accordance with the Option Agreement, shall be entitled to exercise the option to purchase such Optioned Shares at any time prior to the expiration or other termination of the Option Agreement.

If payment is made by “cashless exercise”, then the Participant (or any other permitted person exercising the option) shall concurrently provide irrevocable instructions to a brokerage firm designated by the

board of directors to effect the immediate sale of the such Optioned Shares and remit to the Corporation, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate exercise price payable for the Optioned Shares to the Corporation and to deliver the certificates for the Optioned Shares directly to such brokerage firm in order to complete the sale.

i) Rights of Participants

A Participant shall have no rights as a shareholder in respect of any of the Optioned Shares (including, without limitation, any right to receive dividends or other distributions, voting rights, warrants or rights under any rights offering) other than Optioned Shares in respect of which a Participant has exercised their option to purchase and which have been issued by the Corporation.

j) Third Party Offer and Change of Control

If a bona fide offer (the “**Offer**”) for Shares is made to shareholders of the Corporation generally, or to a class of shareholders of the Corporation which, if options were exercised, would include Participants, and the Offer, if accepted in whole or in part, would result in the offeror exercising control over the Corporation within the meaning of subsection 1(3) of the *Securities Act* (Ontario) then, notwithstanding Section 7(h) but subject to the other provisions hereof:

- i. The board of directors may give its express consent to the exercise of any options which are outstanding although not yet exercisable at the time of the Offer in the manner hereinafter provided.
- ii. If the board of directors has so consented to the exercise of any options outstanding at the time of the Offer, the Corporation shall, immediately after such consent has been given, notify each Participant currently holding an option of the Offer, with full particulars thereof, together with a notice stating that, in order to permit the Participant to participate in the Offer, the Participant may, during the period that the Offer is open for acceptance (or, if no such period is specified, the period of 30 days following the date of such notice), exercise all or any portion of any such option held by the Participant.
- iii. In the event that the Participant so exercises any such option, such exercise shall be in accordance with Section 7 hereof; provided that, if necessary in order to permit the Participant to participate in the Offer, such option shall be deemed to have been exercised, and the issuance of Optioned Shares received upon such exercise shall be deemed to have occurred, effective as of the first day prior to the date on which the Offer was made.
- iv. If, upon the expiry of the applicable period referred to in subsection (ii) above, the Offer is completed, and:
 - a) the Participant has not exercised the entire or any portion of such option then, as of and from the expiry of such period, the Participant’s

right to purchase the Shares covered by such option shall not be exercisable, and shall expire and be null and void; and

b) the Participant has exercised the entire or any portion of such option, but has not tendered the Optioned Shares received in connection with such exercise to the Offer, then, as and from the expiry of such period, the Corporation may require the Participant to sell to the Corporation such Optioned Shares for a purchase price of \$0.0001 per Optioned Share.

v. If:

a) the Offer is not completed (within the time specified therein, if applicable);

or

b) all of the Optioned Shares tendered by the Participant pursuant to the Offer are not taken up and paid for by the offeror in respect thereof;

then the Optioned Shares or, in the case of paragraph (b) above, the portion thereof that are not taken up and paid for by such offeror, shall be returned by the Participant to the Corporation for cancellation and the terms of the Option as set forth herein shall again apply to such option, or the remaining portion thereof, as the case may be.

vi. If any Optioned Shares are returned to the Corporation pursuant to subsection (v) above, the Corporation shall refund the option price to the Participant in respect of such Optioned Shares.

vii. In no event shall the Participant be entitled to sell the Optioned Shares otherwise than pursuant to the Offer, except as provided in paragraph (iv)(b) above.

k) Alterations in Shares

In the event of a share dividend, share split, issuance of shares or instruments convertible into common shares (other than pursuant to the Plan) for less than market value, share consolidation, share reclassification, exchange of shares, recapitalization, acquisition, merger, consolidation, corporate arrangement, reorganization, liquidation or the like of or by the Corporation, the board of directors may make such adjustment, if any, of the number of Optioned Shares, or of the exercise price, or both, as it shall deem appropriate to give proper effect to such event, including to prevent, to the extent possible, substantial dilution or enlargement of rights granted to Participants under the Plan. In any such event, the maximum number of shares available under the Plan may be appropriately adjusted by the board of directors. If because of a proposed merger, acquisition or other corporate arrangement or reorganization, the exchange or replacement of shares in the Corporation of those in another company is imminent, the board of directors may, in a fair and equitable manner, determine the manner in which all unexercised option rights granted under the Plan shall be treated including, for example, requiring the acceleration of the time

for the exercise of such rights by the Participants and of the time for the fulfilment of any conditions or restrictions on such exercise. All determinations of the board of directors under this paragraph 7(k) shall be full and final.

l) Termination

If a Participant is dismissed as an officer, employee or consultant by the Corporation, or by one of its subsidiaries, for cause, all unexercised option rights of that Participant under the Plan shall terminate immediately upon such dismissal, notwithstanding the original term of the option granted to such Participant under the Plan.

m) Disability or Retirement

If a Participant ceases to be a director, officer, employee or consultant (or Management Company Employee) of the Corporation or of one of its subsidiaries as a result of:

- i. disability or illness preventing the Participant from performing the duties routinely performed by such Participant;
- ii. retirement at the normal retirement age prescribed by the Corporation pension plan;
- iii. resignation; or
- iv. such other circumstances as may be approved by the board of directors,

such Participant shall have the right, for a period not exceeding 90 days from the date of ceasing to be a director, officer, employee or consultant (or, if earlier, until the expiry date of the option rights of the Participant pursuant to the terms of the Option Agreement) to exercise the option under the Plan with respect to all Optioned Shares of such Participant to the extent they had vested and were exercisable on the date of ceasing to be a director, officer, employee or consultant. Upon the expiration of such 90 days period (or such earlier expiry date as provided for in the Option Agreement) all unexercised option rights of that Participant shall immediately terminate notwithstanding the original term of the option granted to such Participant under the Plan.

n) Investor Relations Participant

If a Participant providing investor relations services to the Corporation ceases to be employed to provide such services as a result of:

- i. disability or illness preventing the Participant from performing investor relations services;
- ii. retirement at the normal retirement age prescribed by the Corporation pension plan;
- iii. resignation; or

iv. such other circumstances as may be approved by the board of directors, such Participant shall have the right, for a period not exceeding 30 days from the date of ceasing to be employed to provide investor relations services (or, if earlier, until the expiry date of the option rights of the Participant pursuant to the terms of the Option Agreement) to exercise the option under the Plan with respect to all Optioned Shares of such Participant to the extent they had vested and were exercisable on the date of ceasing to be an investor relations employee. Upon the expiration of such 30 days period (or such earlier expiry date as provided for in the Option Agreement) all unexercised option rights of that Participant shall immediately terminate notwithstanding the original term of the option granted to such Participant under the Plan.

o) Deceased Participant

In the event of the death of a Participant, the legal representatives of the deceased Participant shall have the right for a period not exceeding one year from the date of death of the deceased Participant (or such shorter period being, until the expiry date of the option rights of the Participant pursuant to the terms of the Option Agreement) to exercise the deceased Participant's option with respect to all of the Optioned Shares of the deceased Participant to the extent they were vested and exercisable on the date of death. Upon the expiration of such period all unexercised option rights of the deceased Participant shall immediately terminate, notwithstanding the original term of the option granted to the deceased Participant under the Plan.

p) Black Out Expiration Term

Should the expiration of the term of an option fall within a period during which a Participant cannot exercise an option pursuant to a Corporation policy respecting restrictions on employee or insider trading which is in effect at that time (which, for greater certainty, does not include the period during which a cease trade order is in effect to which the Corporation or in respect of an Insider, that Insider, is subject) (a "Blackout Period") or within nine business days following the expiration of a Blackout Period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the Blackout Period, such tenth business day to be considered the expiration of the term of such option for all purposes under the Plan. Notwithstanding Section 8, the ten business day period referred to in this subsection 7(p) may not be extended by the board of directors.

8. Amendments and Discontinuance of Plan

The board of directors may, without shareholder approval, from time to time amend or revise the terms of the Plan or any Option Agreement or may discontinue the Plan at any time provided that no such action may in any manner adversely affect the rights under any options earlier granted to a Participant under the Plan without the consent of that Participant. Any amendment of the Plan which would:

- a) materially increase the benefits under the Plan;
- b) materially increase the number of Shares which would be issued under the Plan;

- d) add any form of financial assistance and, if applicable, any amendment to any existing financial assistance provision which is more favourable to participants;
- e) add a cashless exercise feature, payable in cash or securities which does not provide for a full deduction of the number of underlying securities from the Plan reserve; or
- f) otherwise require approval by shareholders (or disinterested shareholders as the case may be) in accordance with the requirements of any regulatory body having jurisdiction over the Shares,

shall be effective only upon the approval of the shareholders (or disinterested shareholders as the case may be) of the Corporation. Any amendment to any provision of the Plan shall be subject to approval by any regulatory body having jurisdiction over the securities of the Company.

Furthermore, the Exchange policy requires the Corporation to obtain disinterested shareholder approval should the Plan or any option grant result in:

- a) the number of common shares reserved for issuance under stock options granted to insiders of the Corporation exceeding 10% of the issued and outstanding common shares; or
- b) the issuance to insiders of the Corporation, within a one year period, of a number of common shares exceeding 10% of the issued and outstanding common shares.

9. No Further Rights

Nothing contained in the Plan nor in any option granted under this Plan shall give any Participant or any other person, any interest or title in or to any Common Shares of the Corporation or any rights as a shareholder of the Corporation or any other legal or equitable right against the Corporation other than as set out in the Plan and pursuant to the exercise of any option, nor shall it confer upon the Participants any right to continue as an employee, officer, consultant or director of the Corporation or of its subsidiaries.

10. Compliance with Laws

The obligations of the Corporation to sell common shares and deliver share certificates under the Plan are subject to such compliance by the Corporation and the Participants as the Corporation deems necessary or advisable with all applicable corporate and securities laws, rules and regulations.
