(the "Corporation") in connection with the solicitation by management and the directors of the Corporation of proxies to be used at the annual and special meeting (the "Meeting") of the Shareholders to be held at the Best Western Plus Coquitlam Inn Convention Centre, 319 North Road Coquitlam, BC, Canada V3K 3V8 on August 20, 2013 at 2:00 P.M. The cost of such solicitation will be borne by the Corporation and will be made primarily by mail. Directors and officers of the Corporation may without special compensation solicit proxies by telephone, facsimile or in person.

##### **APPOINTMENT AND REVOCATION OF PROXIES**

**Shareholders have the right to appoint a nominee (who need not be a shareholder) to represent them at the Meeting other than the persons designated in the enclosed form of proxy, and may do so by inserting the name of the appointed representative in the blank space provided in the form of proxy.**

A form of proxy will not be valid for the Meeting or any adjournment unless it is completed by the Shareholder or by his attorney authorized in writing and must be delivered to: Proxy Department, Canadian Stock Transfer Company Inc., P.O. Box 721, Agincourt, ON, M1S 0A1, or by email to [proxy@canstockta.com](mailto:proxy@canstockta.com) or by fax at (416) 368-2502 (Toll Free: 1-866-781-3111 Canada & US only), not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) before the time set for the Meeting or any adjournment thereof. In addition to revocation in any other manner permitted by law, a Shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. A proxy may be revoked by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Shareholder or by his authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by depositing the proxy bearing a later date with CIBC Mellon Trust Company at any time up to and including the last business day preceding the date of the Meeting or any adjournment at which the proxy is to be used, or by depositing the revocation of proxy with the chairman of the Meeting on the day of the Meeting, or any adjournment of the Meeting.

## **VOTING OF PROXIES**

The persons named in the enclosed form of proxy are directors and/or officers of the Corporation and have indicated their willingness to represent as proxy the Shareholder who appoints them. Each shareholder may instruct his proxy how to vote his shares by completing the proxy form.

The person indicated in the accompanying proxy shall vote the Common Shares in respect of which they are appointed in accordance with the direction of the shareholder appointing them.

**In the absence of a direction to vote the shares in respect of which they are appointed, the management appointees named in the accompanying proxy will vote such Common Shares in favour of:**

- 1. fixing the number of directors of the Corporation to be elected at eight (8).**
- 2. the election of the persons proposed to be nominated by management as directors; and**
- 3. the appointment of MNP LLP as auditors of the Corporation.**

**Furthermore, in the absence of any direction to vote for or against, the Common Shares will be voted by management appointees in favour of:**

- 1. the approval of the Corporation's Stock Option Plan; and**
- 2. the approval of the reduction of the accounting stated capital account of the common shares of the Corporation**

**all as more specifically described in this Information Circular.**

**THE ENCLOSED FORM OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE PERSON INDICATED IN THE PROXY WITH RESPECT TO AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF ANNUAL AND SPECIAL GENERAL MEETING OF SHAREHOLDERS (THE "NOTICE") AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING.** At the time of printing of the Information Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the meeting other than the matters referred to in the Notice and the Information Circular. If any matters which are not now known to the directors and senior officers of the Corporation should properly come before the meeting, the persons named in the accompanying form of proxy will vote on such matters in accordance with their best judgment.

## **ADVICE TO BENEFICIAL SHAREHOLDERS**

The information in this section is of significant importance to public Shareholders of the Corporation since most public Shareholders do not hold the Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to herein as "Beneficial Shareholders") are advised that only proxies from Shareholders of record can be recognized and voted upon at the Meeting. If Common Shares are listed in the account statement provided to the Shareholder by a broker, then in almost all cases those shares will not be registered in the Shareholder's name. Such shares are more likely held under the name of the broker or a broker's agent clearing house. Applicable corporate law provides that Beneficial Shareholders may request that the Beneficial Shareholder or the Beneficial Shareholder's nominee be appointed as the proxyholder for such shares. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the

registration name for The Canadian Depository for Securities which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against motions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the brokers/nominees are prohibited from voting the Common Shares for their clients.

The Corporation does not know for whom the Common Shares registered to CDS & Co. are held. Therefore, Beneficial Shareholders cannot be recognized by the Corporation at the Meeting. In order to ensure that their Common Shares are voted at the Meeting, Beneficial Shareholders should carefully follow the return instructions. Often, the form of proxy supplied to Beneficial Shareholders by their brokers is identical to that provided to registered Shareholders, however, its purpose is limited to instructing the brokers/registered Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of the brokers now delegate the job of obtaining instructions from clients and voting Common Shares according to their client's instructions to a corporation named Broadridge Financial Solutions Inc. ("Broadridge"). Broadridge typically applies a special sticker to the proxy forms produced by the Corporation, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return these proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and then votes the Common Shares to be voted at the Meeting according to the instructions received. A Beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote Common Shares at the Meeting. The proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the Instrument of Proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

All references to Shareholders in this Information Circular, the accompanying instrument of proxy and Notice are to shareholders of record unless specifically stated otherwise.

## **VOTING SHARES AND PRINCIPAL SHAREHOLDERS**

Only the holders of Common Shares of the Corporation are entitled to vote at the Meeting. As of the date of this Information Circular, 253,239,608 Common Shares without nominal or par value are issued and outstanding. Each Common Share entitles the holder to one vote on all matters to come before the Meeting. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares of the Corporation.

The directors of the Corporation have fixed July 15, 2013, as the record date (the "Record Date") for determination of the persons entitled to receive notice of the Meeting. A Shareholder of record as of the Record Date is entitled to vote his Common Shares except to the extent that he has transferred the ownership of any of his shares after the record date, and the transferee of those shares produces properly endorsed share certificates or otherwise establishes that he owns the shares, and demands, not later than 10 days before the Meeting, that his name be included in the Shareholder list before the Meeting, in which case the transferee is entitled to vote his shares at the Meeting.

To the knowledge of management of the Corporation, as of the date of this Information Circular, no person or company beneficially owned, directly or indirectly, or exercised control or direction over more than ten percent

(10%) of the voting rights attached to all outstanding Common Shares of the Corporation other than those listed in the following table:

Name	Number of Voting Shares Owned or Controlled Directly or Indirectly	Percentage of Outstanding Voting Shares
Canada Zhoufa Agricultural Holding Company Ltd.	50,400,000	19.9%

## **INFORMATION CONCERNING THE CORPORATION**

### **STATEMENT OF EXECUTIVE COMPENSATION**

For the purposes of this section, "NEO" or "Named Executive Officers" means the Chief Executive Officer ("CEO") and the Chief Financial Officer ("CFO") and the three other most highly compensated executive officers of the Corporation and its subsidiaries, whose compensation, in the aggregate, exceeded \$150,000 for the most recently completed financial year. In the most recently completed financial year, only two executive officers of the Corporation and its subsidiaries had aggregate compensation exceeding \$150,000, other than the Chief Executive Officer and Chief Financial Officer.

#### **Compensation Discussion and Analysis**

The objectives of the Corporation's compensation program are to attract, retain and motivate key employees, and to align their interests with the interests of Shareholders. The compensation program is designed to reward profit performance (through the Incentive Bonus Program) and increases in Shareholder value (through the Stock Option based compensation.) The Base Salary component is largely market driven.

The significant elements of compensation awarded to, earned by, paid to or payable to NEO's for the most recently completed financial year are: Base Salary, Incentive Bonus Program payments, and Stock Option based compensation.

The Corporate Governance Committee of the Board of Directors serves as the Corporation's Compensation Committee. The Compensation Committee recommends the CEO's compensation package to the independent directors for their approval. The independent directors have sole authority to determine the CEO's compensation. The Corporate Governance Committee makes these recommendations based on the Corporation's performance and relative Shareholder returns, and the awards given to the Corporation's past CEOs where relevant.

The Corporate Governance Committee also reviews the recommendations of the CEO concerning overall compensation and other conditions of employment of executive management, including the other NEO's, and, in the Committee's discretion, makes recommendations to the Board for their consideration. This includes review and recommendation with respect to any incentive compensation plans and equity-based plans such as Stock Option Grants.

The 2012 CEO incentive plan provided for bonus payments from 0% to 100% of Base Salary, based on a number of performance indicators, including earnings per share, market price, share liquidity, book value per share, debt/equity ratio, organic growth, and acquisition growth. No bonus was awarded by independent Board members for the CEO's 2012 performance, as shown in the Value Vested or Earned Chart on page 6.

The 2012 Executive incentive plan provides for bonus payments from 0% to 80% of Base Salary for other NEO's, based on a number of performance indicators, including the Corporation's overall financial performance, specific financial performance in the NEO's area of responsibility, safety record, working capital management, and organic growth. No bonus was awarded by independent Board members for other NEO's 2012 performance, as shown in the Value Vested or Earned Chart on page 6.

The Corporation does not disclose the specific performance targets of the incentive plan, because disclosing them would seriously prejudice the Corporation's interests. The incentive plan has 3 levels for each performance measure: Threshold, Target, and Stretch. These levels are progressively more difficult for the NEO to obtain. In 2012, no NEO reached the level of performance targets necessary to qualify for a bonus payment.

- (3) The amounts set forth in this column are the cash bonuses earned by the Named Executive Officers.

MNP LLP have been the auditors of the Corporation since June 7, 2011.

## **5. STOCK OPTION PLAN**

As required by TSX Venture Exchange (the "Exchange") rules, management is requesting that Shareholders provide their approval of the Corporation's stock option plan. On June 13, 2012, the Shareholders of the Corporation approved the current stock option plan (the "Plan"). The current state of the Plan is as follows:

Options granted pursuant to the Plan will not exceed a term of ten years and are granted at an option price and on other terms which the directors determine is necessary to achieve the goal of the Plan and in accordance with regulatory policies. The option price shall not be less than the market price of the stock.

The number of common shares allocated to the Plan will be determined by the board of directors from time to time. The aggregate number of shares reserved for issuance under the Plan may not exceed 10 percent of the issued and outstanding shares. In addition, the aggregate number of shares so reserved for issuance in any 12 month period to any one person shall not exceed 2 percent, of the issued and outstanding Common Shares.

The Common Shares, when fully paid for by a participant, are not included in the calculation of Common Shares allocated to or within the Plan. Should a participant cease to be eligible due to the loss of corporate office (being that of an officer or director) or employment, the option shall cease for varying periods not exceeding 90 days. Loss of eligibility for consultants is regulated by specific rules imposed by the directors when the option is granted to the appropriate consultant. The Plan also provides that estates of deceased participants can exercise their options for a period not exceeding one year following death.

The board of directors may from time to time make rules, regulations and amendments to the Plan. Should any rule, regulation or amendment materially differ from the provisions set out in this Information Circular, the Corporation shall obtain the necessary regulatory or shareholder approvals.

However, any amendment of the Plan which would:

- (i) materially increase the benefits of the Plan;
- (ii) materially increase the maximum number of common shares issuable under the Plan,
- (iii) materially modify the requirements as to eligibility for participation in the Plan;
- (iv) add any form of financial assistance and, if applicable, any amendment to any existing financial assistance provision which is more favourable to participants;
- (v) add a cashless exercise feature, payable in cash or securities which does not provide for a full deduction of the number of underlying securities from the Plan reserve; or
- (vi) otherwise require approval by shareholders (or disinterested shareholders as the case may be) in accordance with the requirements of any regulatory body having jurisdiction over the common shares of the Corporation

would be effective only upon the approval of the Shareholders (or disinterested shareholders as the case may be) of the Corporation. Further, any amendment to any provision of the Plan would also remain subject to approval by any regulatory body having jurisdiction over the securities of the Corporation.

Should the expiration date for an Option fall within a blackout period or within nine business days following the expiration of a blackout period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the blackout period, such tenth business day to be considered the expiration of the term of such option for all purposes under the Plan.

### **Proposed Plan**

Management proposes two amendments to the current Stock Option Plan to ensure that the plan is compliance with TSX Venture Exchange policies. These amendments clarify that a cashless exercise will not be permitted under the plan, and that any reduction in exercise price if the Optionee is an Insider at the time of the proposed reduction would first require disinterested shareholder approval.

The Proposed Plan is attached to this Circular as Schedule B.

To be effective, the approval of the Plan must be given by resolution of the Shareholders. The Shareholders will be asked to consider and approve the following special resolution:

IT IS RESOLVED THAT:

1. Subject to regulatory approval, the Stock Option Plan in the form set out in Schedule "B" to the Information Circular of the Corporation in connection with the 2013 annual and special shareholder meeting be adopted and the same is approved;
2. Any one director or officer of the Corporation is hereby authorized and directed to do all things, carry out all actions, execute all instruments and documents as in his opinion may be necessary or desirable to carry out the foregoing, including without limitation, any reasonable amendments, changes or alterations to the foregoing, as such officer or director deems reasonable in the circumstances; and
3. The board of directors of the Corporation be, and it is hereby, authorized to cause all measures to be taken, such further agreements to be entered into and such further documents to be executed as may be deemed necessary or advisable to give effect to and fully carry out the intent of this resolution.

Unless otherwise directed, the persons named in the enclosed instrument of proxy intend to vote in favour of the above resolutions. In order to be approved, this ordinary resolution must be passed by a simple majority of the votes cast in person or by proxy at the Meeting in respect of such resolution.

## **6. REDUCTION OF STATED CAPITAL OF THE CORPORATION**

As at December 31, 2012, the Corporation had an accumulated retained deficit of \$34,653,000 and the capital stock of the Common Shares was \$39,613,000. The deficit is primarily attributable to the accumulated writedown of goodwill and intangibles, and operating losses from continued and discontinued operations for the fiscal reporting periods from 2008 through 2011.

The Corporation proposes to reduce the accounting stated capital of the Common Shares by the amount of the consolidated accumulated accounting deficit as at December 31, 2012 (the "Reduction of Capital"). The resulting Reduction of Capital will be credited against the consolidated accumulated accounting deficit as at December 31, 2012 (the "Deficit"). The Reduction of Capital will have the effect of eliminating the Deficit. Elimination of the Deficit will simplify the Corporation's balance sheet and provide a more representative view of the Corporation's financial position, given the restructuring that the Corporation has undertaken over the past several years, which in turn will facilitate communication within the investment community and make it easier to generate potential investor interest in the Corporation. The proposed reduction of capital and elimination of the Deficit will have no impact on the day-to-day operations of the Corporation, or the Corporation's overall financial position.

The Board has approved the Reduction of Capital. However, pursuant to section 38(1) of the Business Corporations Act (Alberta) the Reduction of Capital requires the approval of the shareholders by special resolution subject to the requirements that there be no reasonable grounds for believing that: (i) the Corporation is, or would after the reduction be, unable to pay its liabilities as they become due; or (ii) the realizable value of the Corporation's assets would, after the reduction, be less than the aggregate of its liabilities. It is the opinion of the Board that the reduction of the Corporation's stated capital is in the Corporation's best interests and that there are no reasonable grounds for believing that: (i) the Corporation is, or would after the reduction be unable

to pay its liabilities as they became due; or (ii) that the realizable value of the Corporation's assets would, after the reduction, be less than the aggregate of its liabilities. Shareholder approval of the Reduction of Capital by special resolution is being sought at the Meeting. Accordingly, at the Meeting, shareholders will be asked to consider and approve a special resolution authorizing the Reduction of Capital. Management would like the consent of the shareholders to not proceed with the Reduction of Capital in the event that the special resolution is passed by the shareholders at the Meeting and management subsequently concludes that it would not be in the best interest of the Corporation to proceed with the Reduction of Capital.

Generally, there are no current adverse Canadian income tax consequences under the Income Tax Act (Canada), (the "Tax Act") to any of the Corporation's existing shareholders at the time of the Reduction of Capital. Since no amount has been paid by the Corporation on the reduction, none of the shareholders will be deemed to have received a dividend by virtue of the Reduction of Capital. In addition, there will not be any resulting adjustments by virtue of the Reduction of Capital to the adjusted cost base of shares held by shareholders. However, the reduction of the stated value of a corporation's share capital for legal and accounting purposes typically results in the reduction of paid up capital ("PUC") of the shares for income tax purposes. Generally speaking, under the Tax Act any payment made by a public corporation (which the Corporation is) on a reduction of capital, will be treated as a dividend, subject to certain limited exceptions, such as the redemption of shares, certain reorganization provisions of the Tax Act and the distribution of certain transaction proceeds. The Reduction of Capital may result in payment made on future reductions of capital being less tax effective to shareholders in the event such exceptions would otherwise be available. In addition, the Reduction of Capital may have an effect, in certain circumstances, if the Corporation is wound up or if the Corporation redeems, acquires or cancels its' common shares. In those cases, the amount of any deemed dividend (generally being the excess of the amount paid over the paid up capital of such shares) may be increased to the extent of any reductions in capital. The Corporation encourages shareholders to consult with their tax advisors for additional information regarding any tax consequences, which might affect them as a result of a reduction of PUC or from the Reduction of Capital.

The text of the special resolution to be voted on at the Meeting by the shareholders is set forth below.

"IT IS RESOLVED as a special resolution of the Corporation that:

1. Pursuant to the provisions of section 38(1) of the Business Corporations Act (Alberta) the accounting stated capital account of the Common Shares be reduced by the amount of the consolidated accumulated accounting deficit as at December 31, 2012;
2. No amount in respect of such reduction of stated capital referred to in paragraph 1 above be distributed to the shareholders of the Corporation;
3. The shareholders of the Corporation hereby expressly authorize the Board of Directors to revoke this resolution before it is acted upon without requiring further approval of the shareholders in that regard; and
4. Any one (or more) director or officer of the Corporation is authorized and directed, on behalf of the Corporation, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under corporate seal of the Corporation or otherwise) that may be necessary or desirable to give effect to this resolution."

**Unless otherwise directed, it is the intention of the individuals named in the form of proxies to vote in favour of the special resolution approving the Reduction of Capital.** In order to be effective, the special resolution in respect of the approval of the Reduction of Capital requires approval of not less than two thirds (2/3) of the votes cast by shareholders of the Corporation, who, being entitled to do so, vote in person or by a proxy at the Meeting of the Corporation.

## **7 OTHER BUSINESS**

The management of the Corporation is not aware of any matters to come before the Meeting other than those set out in the Notice of Meeting. If other matters come before the Meeting it is the intention of the individuals named in the form of proxy to vote the same in accordance with their best judgment in such matters.

(the “**Corporation**”) in attracting, retaining and motivating directors, officers, employees and consultants of the Corporation and of its subsidiaries and to closely align the personal interests of such directors, officers, employees and consultants with those of the shareholders of the Corporation by providing them with the opportunity, through options, to acquire common shares of the Corporation.

#### 2. Definitions

In this Plan, unless the context otherwise requires, the following terms shall have the following meanings:

- a) “**Exchange**” means the Toronto Stock Exchange and/or such other stock exchange as the Shares of the Corporation may then be listed;
- b) “**Insider**” means an insider of the Corporation, as defined in the Securities Act (Alberta) and includes associates or affiliates of the insider;
- c) “**Market Price**” shall have the meaning ascribed thereto in section 101 of the Toronto Stock Exchange Company Manual; and
- d) “**Shares**” means the common shares in the capital of the Corporation.

#### 3. Implementation

The grant and exercise of any options under the Plan are subject to compliance with the applicable requirements of the Exchange and of any governmental authority or regulatory body to which the Corporation is subject.

#### 4. Administration

The Plan shall be administered by the board of directors of the Corporation which shall, without limitation, have full and final authority in its discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it and to make all other determinations deemed necessary or advisable for the administration of the Plan, subject to any necessary shareholder or regulatory approval. The board of directors may delegate any or all of its authority with respect to the administration of the Plan and any or all of the rights, powers and discretions with respect to the Plan granted to it under this Plan to such other committee of directors of the Corporation as the board of directors may designate. Upon any such delegation the committee of directors, as well as the board of directors, shall be entitled to exercise any or all of such authority, rights, powers and discretions with respect to the Plan. ## 5. Number of Optioned Shares

A maximum number of common shares equal to 10% of the issued and outstanding common shares of the Corporation, from time to time, (the “**Optioned Shares**”) shall be reserved for issuance to such directors, officers, employees and consultants of the Corporation and of its subsidiaries as the board of directors may determine (“**Participants**”) in accordance with the Plan. If option rights granted to a Participant under the Plan expire or terminate for any reason without having been exercised in respect of certain Optioned Shares, or if a Participant exercises its option rights, such Optioned Shares may be made available for other options to be granted under the Plan.

### a) Limitations on Issue

Options shall not be granted:

- i. to Insiders if such options, together with any other options previously granted by the Corporation (together, the “**Share Compensation Arrangements**”), could result, at any time, in:
  - a) the number of Shares issuable to Insiders, at any time, under the Share Compensation Arrangements, exceeding 10% of issued and outstanding Shares; and
  - b) the number of Shares issued to Insiders, within any twelve month period, under the Share Compensation Arrangements, exceeding 10% of issued and outstanding Shares.
- ii. if the exercise thereof would result in the issuance of more than 2% of the issued common shares of the Corporation in any twelve month period to any one consultant of the Corporation.
- iii. if the exercise thereof would result in the issuance of more than 2% of the issued common shares of the Corporation in any twelve month period to persons employed to provide investor relations activities.

### b) Inducements

Unless otherwise approved by the shareholders of the Corporation, no grant of options as an inducement of employment or as an inducement for any individual to become an officer of the Corporation shall exceed 2% of the number of shares issued on an undiluted basis.

## 6. Eligibility

Options may be granted under the Plan to any person who is a director, officer, employee or consultant of the Corporation or its subsidiaries, and employees of a person or company which provides management services to the Corporation or its subsidiaries (“**Management Company Employees**”), as the board of directors may from time to time designate as a Participant under the Plan. Subject to compliance with applicable requirements of the Exchange, a Participant may elect to hold options granted to them in an incorporated entity wholly owned by them and such entity shall be bound by the Plan in the same manner as if the options were held by the Participant.

Subject to the terms of this Plan, the board of directors shall determine to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options

shall be granted and vested, and the number of common shares to be subject to each option. In the case of employees or consultants of the Corporation or Management Company Employees, the option agreements to which they are party must contain a representation of the Corporation that such employee, consultant or Management Company Employee, as the case may be, is a bona fide employee, consultant or Management Company Employee of the Corporation or its subsidiaries.

A Participant who has been granted an option may, if such Participant is otherwise eligible, and if permitted under the policies of the Exchange, be granted an additional option or options if the board of directors shall so determine.

## 7. Terms and Conditions

### a) Exercise Price

- i. The exercise price to each Participant for each Optioned Share shall be determined by the board of directors, but shall in no event be less than the Market Price.
- ii. Once the exercise price has been determined by the board of directors, accepted by the Exchange and the option has been granted, the exercise price of an option held by insiders of the Corporation (as defined in the policies of the Exchange) may only be reduced if disinterested shareholder approval is obtained.

### b) Option Agreement

All options shall be granted under the Plan by means of an agreement between the Corporation and each Participant (the “**Option Agreement**”) in such form as may be approved by the board of directors, such approval to be conclusively evidenced by the execution of the Option Agreement by any one director or officer of the Corporation.

### c) Length of Grant

Each option granted under the Plan shall expire on the date set out in the option agreement, subject to earlier termination as provided in subsections 7(l), (m), (n) and (o) of this Plan but in no circumstances shall the duration of an option exceed 10 years.

### d) Vesting of Options

The board of directors, in its sole discretion, shall determine the vesting of options granted hereunder and may subject the vesting of any options granted hereunder to any number of reasonable conditions precedent.

### e) Transferability of Options

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided for herein or to the extent, if any, permitted by the Exchange. During the lifetime of a Participant any benefits, rights and options may only be exercised by the Participant.

### f) Right to Postpone Exercise

Each Participant, upon becoming entitled to exercise the option in respect of any Optioned Shares in accordance with the Option Agreement, shall be entitled to exercise the option to

purchase such Optioned Shares at any time prior to the expiration or other termination of the Option Agreement.

g) Hold Period

Any options granted pursuant to the Plan or any Optioned Shares issued upon the exercise of such options shall be subject to any applicable statutory hold period or resale restriction as well as any hold period or resale restriction that may be imposed by the policies or regulations of the Exchange. Any hold period or resale restriction required by the Exchange shall be endorsed as a legend on the share certificate(s) representing the Optioned Shares.

h) Exercise and Payment

Subject to the Participant meeting any vesting provisions contained in an Option Agreement, any option granted under the Plan may be exercised by a Participant or the legal representative of a Participant giving notice to the Corporation specifying the number of shares in respect of which such option is being exercised, accompanied by payment (by cash or certified cheque payable to the Corporation) of the entire exercise price (determined in accordance with the Option Agreement) for the number of shares specified in the notice. Upon any such exercise of an option by a Participant the Corporation shall cause the transfer agent and registrar of the common shares to promptly deliver to such Participant or the legal representative of such Participant, as the case may be, a share certificate in the name of such Participant or the legal representative of such Participant, as the case may be, representing the number of shares specified in the notice.

i) Rights of Participants

A Participant shall have no rights as a shareholder in respect of any of the Optioned Shares (including, without limitation, any right to receive dividends or other distributions, voting rights, warrants or rights under any rights offering) other than Optioned Shares in respect of which a Participant has exercised their option to purchase and which have been issued by the Corporation.

j) Third Party Offer and Change of Control

If a bona fide offer (the “**Offer**”) for Shares is made to shareholders of the Corporation generally, or to a class of shareholders of the Corporation which, if options were exercised, would include Participants, and the Offer, if accepted in whole or in part, would result in the offeror exercising control over the Corporation within the meaning of subsection 1(3) of the *Securities Act* (Ontario) then, notwithstanding Section 7(h) but subject to the other provisions hereof:

- i. The board of directors may give its express consent to the exercise of any options which are outstanding although not yet exercisable at the time of the Offer in the manner hereinafter provided.
- ii. If the board of directors has so consented to the exercise of any options outstanding at the time of the Offer, the Corporation shall, immediately after such consent has been given, notify each Participant currently holding an option of the Offer, with full particulars thereof, together with a notice stating that, in order to permit the Participant to participate in the Offer, the Participant may, during the period that the Offer is open for acceptance (or, if no such period is specified, the period of 30

days following the date of such notice), exercise all or any portion of any such option held by the Participant.

- iii. In the event that the Participant so exercises any such option, such exercise shall be in accordance with Section 7 hereof; provided that, if necessary in order to permit the Participant to participate in the Offer, such option shall be deemed to have been exercised, and the issuance of Optioned Shares received upon such exercise shall be deemed to have occurred, effective as of the first day prior to the date on which the Offer was made.
- iv. If, upon the expiry of the applicable period referred to in subsection (ii) above, the Offer is completed, and:
  - a) the Participant has not exercised the entire or any portion of such option then, as of and from the expiry of such period, the Participant's right to purchase the Shares covered by such option shall not be exercisable, and shall expire and be null and void; and
  - b) the Participant has exercised the entire or any portion of such option, but has not tendered the Optioned Shares received in connection with such exercise to the Offer, then, as of and from the expiry of such period, the Corporation may require the Participant to sell to the Corporation such Optioned Shares for a purchase price of \$0.0001 per Optioned Share.
- v. If:
  - a) the Offer is not completed (within the time specified therein, if applicable);  
or
  - b) all of the Optioned Shares tendered by the Participant pursuant to the Offer are not taken up and paid for by the offeror in respect thereof;then the Optioned Shares or, in the case of paragraph (b) above, the portion thereof that are not taken up and paid for by such offeror, shall be returned by the Participant to the Corporation for cancellation and the terms of the Option as set forth herein shall again apply to such option, or the remaining portion thereof, as the case may be.
- vi. If any Optioned Shares are returned to the Corporation pursuant to subsection (v) above, the Corporation shall refund the option price to the Participant in respect of such Optioned Shares.
- vii. In no event shall the Participant be entitled to sell the Optioned Shares otherwise than pursuant to the Offer, except as provided in paragraph (iv)(b) above.

k) Alterations in Shares

In the event of a share dividend, share split, issuance of shares or instruments convertible into common shares (other than pursuant to the Plan) for less than market value, share consolidation, share reclassification, exchange of shares, recapitalization, acquisition, merger, consolidation, corporate arrangement, reorganization, liquidation or the like of or by the Corporation, the board of directors may make such adjustment, if any, of the number of Optioned Shares, or of the exercise price, or both, as it shall deem appropriate to give proper effect to such event, including to prevent, to the extent possible, substantial dilution or enlargement of rights granted to Participants under the Plan. In any such event, the maximum number of shares available under the Plan may be appropriately adjusted by the board of

directors. If because of a proposed merger, acquisition or other corporate arrangement or reorganization, the exchange or replacement of shares in the Corporation of those in another company is imminent, the board of directors may, in a fair and equitable manner, determine the manner in which all unexercised option rights granted under the Plan shall be treated including, for example, requiring the acceleration of the time for the exercise of such rights by the Participants and of the time for the fulfilment of any conditions or restrictions on such exercise. All determinations of the board of directors under this paragraph 7(k) shall be full and final.

l) Termination

If a Participant is dismissed as an officer, employee or consultant by the Corporation, or by one of its subsidiaries, for cause, all unexercised option rights of that Participant under the Plan shall terminate immediately upon such dismissal, notwithstanding the original term of the option granted to such Participant under the Plan.

m) Disability or Retirement

If a Participant ceases to be a director, officer, employee or consultant (or Management Company Employee) of the Corporation or of one of its subsidiaries as a result of:

- i. disability or illness preventing the Participant from performing the duties routinely performed by such Participant;
- ii. retirement at the normal retirement age prescribed by the Corporation pension plan;
- iii. resignation; or
- iv. such other circumstances as may be approved by the board of directors,

such Participant shall have the right, for a period not exceeding 90 days from the date of ceasing to be a director, officer, employee or consultant (or, if earlier, until the expiry date of the option rights of the Participant pursuant to the terms of the Option Agreement) to exercise the option under the Plan with respect to all Optioned Shares of such Participant to the extent they had vested and were exercisable on the date of ceasing to be a director, officer, employee or consultant. Upon the expiration of such 90 days period (or such earlier expiry date as provided for in the Option Agreement) all unexercised option rights of that Participant shall immediately terminate notwithstanding the original term of the option granted to such Participant under the Plan.

n) Investor Relations Participant

If a Participant providing investor relations services to the Corporation ceases to be employed to provide such services as a result of:

- i. disability or illness preventing the Participant from performing investor relations services;
- ii. retirement at the normal retirement age prescribed by the Corporation pension plan;
- iii. resignation; or
- iv. such other circumstances as may be approved by the board of directors,

such Participant shall have the right, for a period not exceeding 30 days from the date of ceasing to be employed to provide investor relations services (or, if earlier, until the expiry date of the option rights of the Participant pursuant to the terms of the Option Agreement) to

exercise the option under the Plan with respect to all Optioned Shares of such Participant to the extent they had vested and were exercisable on the date of ceasing to be an investor relations employee. Upon the expiration of such 30 days period (or such earlier expiry date as provided for in the Option Agreement) all unexercised option rights of that Participant shall immediately terminate notwithstanding the original term of the option granted to such Participant under the Plan.

o) Deceased Participant

In the event of the death of a Participant, the legal representatives of the deceased Participant shall have the right for a period not exceeding one year from the date of death of the deceased Participant (or such shorter period being, until the expiry date of the option rights of the Participant pursuant to the terms of the Option Agreement) to exercise the deceased Participant's option with respect to all of the Optioned Shares of the deceased Participant to the extent they were vested and exercisable on the date of death. Upon the expiration of such period all unexercised option rights of the deceased Participant shall immediately terminate, notwithstanding the original term of the option granted to the deceased Participant under the Plan.

p) Black Out Expiration Term

Should the expiration of the term of an option fall within a period during which a Participant cannot exercise an option pursuant to a Corporation policy respecting restrictions on employee or insider trading which is in effect at that time (which, for greater certainty, does not include the period during which a cease trade order is in effect to which the Corporation or in respect of an Insider, that Insider, is subject) (a "Blackout Period") or within nine business days following the expiration of a Blackout Period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the Blackout Period, such tenth business day to be considered the expiration of the term of such option for all purposes under the Plan. Notwithstanding Section 8, the ten business day period referred to in this subsection 7(p) may not be extended by the board of directors.

## **8. Amendments and Discontinuance of Plan**

The board of directors may, without shareholder approval, from time to time amend or revise the terms of the Plan or any Option Agreement or may discontinue the Plan at any time provided that no such action may in any manner adversely affect the rights under any options earlier granted to a Participant under the Plan without the consent of that Participant. Any amendment of the Plan which would:

- a) materially increase the benefits under the Plan;
- b) materially increase the number of Shares which would be issued under the Plan;
- c) materially modify the requirements as to eligibility for participation in the Plan;
- d) add any form of financial assistance and, if applicable, any amendment to any existing financial assistance provision which is more favourable to participants; or
- e) otherwise require approval by shareholders (or disinterested shareholders as the case may be) in accordance with the requirements of any regulatory body having jurisdiction over the Shares,

shall be effective only upon the approval of the shareholders (or disinterested shareholders as the case may be) of the Corporation. Any amendment to any provision of the Plan shall be subject to approval by any regulatory body having jurisdiction over the securities of the Company.

Furthermore, the Exchange policy requires the Corporation to obtain disinterested shareholder approval should the Plan or any option grant or any amendment of an option grant result in:

- a) the number of common shares reserved for issuance under stock options granted to insiders of the Corporation exceeding 10% of the issued and outstanding common shares;
- b) the issuance to insiders of the Corporation, within a one year period, of a number of common shares exceeding 10% of the issued and outstanding common shares; or
- c) the issuance to any one Participant, within a 12 month period, of a number of common shares exceeding 5% of the issued and outstanding common shares.
- d) a reduction in the exercise price if the Optionee is an Insider of the Corporation at the time of the proposed amendment.

## **9. No Further Rights**

Nothing contained in the Plan nor in any option granted under this Plan shall give any Participant or any other person, any interest or title in or to any Common Shares of the Corporation or any rights as a shareholder of the Corporation or any other legal or equitable right against the Corporation other than as set out in the Plan and pursuant to the exercise of any option, nor shall it confer upon the Participants any right to continue as an employee, officer, consultant or director of the Corporation or of its subsidiaries.

## **10. Compliance with Laws**

The obligations of the Corporation to sell common shares and deliver share certificates under the Plan are subject to such compliance by the Corporation and the Participants as the Corporation deems necessary or advisable with all applicable corporate and securities laws, rules and regulations.

## **11. Gender**

The use of the masculine gender in this Plan shall be deemed to include or be replaced by the feminine gender where appropriate to the particular Participant.
